FOUNTAIN PAJOT HELIA 44 MAESTRO

BROKER'S COMMENTS

This Fountaine Pajot 44 Helia Maestro is built for comfort and space. She has "all weather" protection in the cockpit and a double steering station, equipped with all navigation instruments, including a radio system. This catamaran has a smart design with an open saloon and galley, on the same level as the cockpit. All cabins are large with plenty of storage space and equipped with individual reversible air conditioning. This fountaine pajot 44 Helia is suitable for a longer stay on board and due to its shallow draught can cope with both deep and shallow waters!

Henri van Eelen

SPECIFICATIONS
