ABIM 118 XL

BROKER'S COMMENTS

Smooth lines, the right sailing characteristics, practical details, solid construction and finishing, the Abim motor yachts have become a household name when it comes to the right choices. Born from practice, the Abim yard can now count itself among the more appealing shipyards in the Netherlands. The Abim 118XL is no exception. With 12m2 of space on the aft deck, practical layout, very low clearance (2.47 m) and extensive inventory with a bow and stern thruster, generator, washer-dryer, etc., the 118XL meets all your expectations for exploring European waters.
