## BROKER'S COMMENTS

Uncompromising Dutch steel trawler yacht. Designed and finished as a professional seagoing ship (CE-A) with many extras, she has been kept in excellent condition throughout and serves her owner couple very well. Below deck there is a comfortable arrangement with three cabins and the deck level is on a flat floor. General access is therefore easy and uninhibited. Would you like to travel Europe in style and comfort? Then this Eurotrawler should be on your wish list!
