STEEL MOTORYACHT LIVEABOARD 17.80M

BROKER'S COMMENTS

Christo II is a surprisingly spacious steel twin screw diesel motor yacht. Built in 1976, stripped down to her bare hull and engines in 2007, her current owner installed a new interior and electrical system among others. She has classic lines and is suitable for the French canals because of her low air draught. Also very suitable to live aboard with her central heating, comfortable master cabin and ample storage in the aft cabin. Contact us for more details or to arrange a viewing.

Nick Lanting
