

SAFFIER SE 26

SAFFIER SE 26

BROKER'S COMMENTS

Her beautifully lined hull combined with a modern underwater ship, deck layout and rigging make her a yacht that turns heads. The Saffier Se 26 ft open day sailor can be sailed completely from the helmsmen position. All the sheets, halyards, reefing lines and kicking-strap lead to the winch consoles that can be managed within the reach of the helmsmen.
