VIKNES 1030

BROKER'S COMMENTS

As a pocket offshore motor yacht the original Viknes 1030 was constructed with Scandinavian flair and craftsmanship. She has a large cockpit with easy access and with twin helm stations ideal for in- and offshore cruising. This particular 1030 has seen very little use, has practically been never slept on and has very low engine hours. She offers two comfortable cabins and the decksalon/pilothouse is very comfortable and offers you a 360 degree panoramic view. Recent build, low engine hours, good equipment list etc. What is missing? You enjoying the creature comforts of this fine motor yacht.
