## BROKER'S COMMENTS

The Ghibli 24 Camilla a is in fact a new boat. The Ghibli was built in 2002, but rebuilt from the bones up to a stunning brand new italian style modern motoryacht. everything is new. This Ghibli will pass any rigerous inspection you throw at her. No expenses saved and no item on board that has not been replaced by equipment from 2017. This Ghibli offers you a rare opportunity to buy and sail a new boat all from 2017. The pictures speak for themselves
