# OCEAN YACHTS 40 SUPER SPORT

## BROKER'S COMMENTS

The Ocean 40 Fly is probably one of the most iconic fishing vessels on earth. With her two Carterpillar 420 Hp engines and seagoing design the yacht feels like a fish in the water on large lakes, rivers, open sea and even oceans. In the last years the vessel had a full refit on both the interior and exterior. The interior was stripped and rebuilt, the hull was repainted, all electrics have been changed and modified. The parts that weren't changed undertook full service. After this full refit the Ocean 40 Fly "Big Fish" is now available for a new adventure.
