GRAND BANKS 42 MOTORYACHT

BROKER'S COMMENTS

True gentleman's motor yacht model from the much appreciated Grand Banks 42 range. Copied by many but never equaled. The Motoryacht model offers a the full beam owners cabin aft with excellent ensuite facilities. Outside the large aft deck is good result of that alteration. Also the three cabin layout makes her ideal for long distance family cruising. She sports two reliable and fuel efficient Caterpillar diesels. Cruising at 8 knots she consumes approx. 12-13 ltrs per hour. And for safety she can go up to 12-13 knots.
