HOEK DESIGN 51

BROKER'S COMMENTS

The Hoek Design 51 "Stoute Louise" is a gracefully appearance with her classic design. The perfectly finished cockpit, with massive overhangs, provide a really nice space for the helmsman. All functions to control the sail are within a reach. The powerful electric winches makes her an extremely comfortable cruising yacht for a couple. Her long list of equipment ensure comfortable cruising. The interior woodwork is a class of its own with perfectly matching upholstery. After an extensive refit she has been hardly used by the owner. This rare opportunity is now ready for sailing the seven seas!
