TARTAN 3800

BROKER'S COMMENTS

Timeless well balanced offshore cruiser design by the famous designer Tim Jackett. Built to American Bureau of Shipping and using Vinylester resin, the build-quality is very good. The deck layout is ergonomically, she has a nice open, yet deep safe cockpit with good stowage space. Below decks a warm welcome atmosphere with ample sized seating and cabins. She has 4 fixed berths in two separate cabins and sleeps seven if needed.
