

WOONBOOT SPITS PÉNICHES

BROKER'S COMMENTS

"En Route" a woonboot, woonspits, spits, peniches, or whatever you like to call her. She's original built in 1958 by De Winter in Boom - Belgium. Her current owner, boat builder by professional, has created a complete, very spacious, new living in the ships cargo area in 2008. The original living area is still available, including the galley, a double and a single cabin, marine head etc. Recent Volvo Penta 420 hp diesel engine (built in 2000), bow thruster, several generators etc. Suitable for inland waterways including French canals.
