TARGA 23.1

BROKER'S COMMENTS

Relative to its small size, the Targa 23.1 comes with many impressive features that you would normally only expect to find on larger boats. Its intelligent and compact design makes for effortless steering, while the clever use of space ensures enough room for guests on board - and even sleeps two persons in the aft cabin. Fast, reliable, practical, and comfortable, the 23.1 is an ideal choice for roaming the seas.
