DEHLER 35 CRUISING

BROKER'S COMMENTS

The Dehler 35 CR, a 10.50 meter yacht with distinctive, original, classic lines, also incorporating Dehler universally patented CWS system, a byword for ease of sailing - "single handed control". Halyards and sheets running from the mast and deck are led directly back to self-taling electric winches on both sides of the wheel, making them accessible to the helmsman. Yanmar 29 hp diesel engine, furling genoa and battened mainsail of laminate (2010).
