DEHLER 41 DS

BROKER'S COMMENTS

The Dehler 41DS is a comfortable and fast cruising yacht. As known from Dehler every design is well thought though and innovative. Resulting in an extremely easy to handle sailing yacht. With incorporated deck saloon and panoramic view, certainly a yacht for this "day and age" and very much up to date. This Dehler 41DS comes very well equipped with electric winches, bow thruster, reef able self tacking jib, generator and electric windlass. Making her ideal for "push-button-sailing" when wanted by a small crew. Berth in Medemblik for sale for 30.000, - Euro
