## BROKER'S COMMENTS

The Dehler 36CWS TOP was for Dehler the next logical step in the development and innovation of their range. This yacht is a joy to handle and to sail. Below decks her large U-shaped settee is ideal. Two large cabins provide for sleeping comfort. Large enough head compartment with ample storage space throughout. 'System 7' is in a good condition and well taken care of. She is being sold by her second owner.
