STAVERSE KOTTER 1200

BROKER'S COMMENTS

This Staverse Kotter Classic 1200 is a comfortable motor sailor. She is well equipped and recently has had new chart plotter, AIS VHF radio and Radar fitted. Together with the new autopilot this makes her an easy boat to navigate. She is ideal for a family or for two people with the advantage of being able to have two guests. The last few years she has cruised the Atlantic and Northern coasts of France and alot of places around Europe. Demonstrating her ability to deal with the sea and inland waters around Europe.The mast can come off and then she is also perfect for the France canals.
