VIKNES 880

BROKER'S COMMENTS

Seaworthy motor yacht from Scandinavian origin. The famous Viknes yard from Norway has given the 880 model a practical two cabin layout with panoramic pilothouse-decksalon features. Large open cockpit with transom door providing comfortable access and storage space. Fitted out with practical extras like radar, bow thruster, autopilot etc. The Yanmar diesel has modern common-rail technology and thus fuel efficient and powerful enough for safe and fast passage making. Come join the Viknes community, you won't be disappointed. Arriving shortly in Sint Annaland.
