LUXE MOTOR FRONTRUNNER 14.95

BROKER'S COMMENTS

This newly designed, perfectly maintained steel Dutch built Luxe Motor Beurtvaarder 14.95 is truly an all year round live aboard vessel for cruising European waterways. From the large wheelhouse you'll enjoy the surroundings. The decksaloon with her panoramic windows, accommodates a L-shaped bench, dinette, spacious and well equipped galley and writing desk. Beneath the pilot house is a full standing headroom large double cabin, a guest cabin with a double bed, shower, bathroom and storage room. An economic VW Marine 140 HP, proportional bow- and stern thruster ensures easy maneuverability.

Harald Padberg
