## BROKER'S COMMENTS

This Elan Impression 434, designed by the well known designer Rob Humphreys, has been built, by the owner together with the manufacturer, to sail single handed. All winches can be operated, electrically, from both steering positions. Elan is the specialist in fyberglass vacuum products. Strong and of high quality, gained through their experience as one of the famous manufacturers of skis. Other characteristics: comfortable, well equipped, semi sportive family cruiser with 2 aft cabins and 1 owner cabin with seperated toilet and shower space. She has always been well maintained.
