DARTSAILER 38

BROKER'S COMMENTS

No doubt, the Dartsailer 38 is known for her beautiful lines and seaworthiness. "Old Sailer" offers comfort and safety in even the worst conditions due to her canoe stern and extremely heavy built hull construction. Her interior is very spacious, she offers a lots of stowage space and two separate cabins; very suitable in entertaining friends and family. She is equipped with a bowthruster, heating, warm water and other items which makes your jouney comfortable. She can be seen in our sales marina of Katwoude.
