NELSON 40 PILOT

BROKER'S COMMENTS

Classic and unique rescue ship with a rich history. Built for the KNZHRM Terschelling. This Nelson 40 has been restored to her full glory by the famous Yard 't Kromhout Amsterdam. This Nelson 40 is particularly suitable so sail comfortable on open water, due to the 2 recent Solé diesel engines, 155 HP each, and the very strong hull. Double glass, strong heating and the possibility for on board showering, makes this vessel not only a stylish appearance but also nice to sail in the winter.
