PHILIP & SON PHILIPS 43

BROKER'S COMMENTS

"Caet Mossel", one of nine Philip 43 ever build, maintained in perfect condition, with a heritage of quality craftsmanship and seaworthiness. She is a Holman-Pye design built by Philip & Son in Dartmouth England and owned by her 2nd owner. Designed to take on the famous Swan 43's in IOR competition. She is sleek, fast, seaworthy and built to sail the Atlantic, as she already did twice and also became third in her class in the ARC. During all winters she was kept inside. With a heavy heard the owner puts her now after 35 years again on the market. A change to own a piece of living history!
