## BROKER'S COMMENTS

As with all designs by Koopmans, this model has an excellent proven sea keeping characteristics. She has a cutter-rig with hydraulic forestay and in-mast furling system. In 2017/'18 she was equipped with a bow thruster and new engine for easy handling under all conditions. Below deck a cozy, comfortable and warm mahogany interior with ample storage space. She offers a double bed in the after and two singles in the saloon. The foam plate insulation contributes to optimal comfort for longer stays. "Ithaka" is located in our sales marina and you are welcome to step aboard 7 days a week.
