HANSE 315

BROKER'S COMMENTS

This Hanse 315 is a sporty and compact cruiser yachts and offers a lot of space, comfort and 30 HP engine. If you look at the specifications and equippment, you will expect an upper class yacht. Unique is the mast which can be lowered. The first owner has made this adjustment to sail a larger area. The currently second owner, has made a beautiful single handed cruise to the Baltic. When you are looking for a beautiful young all-round sailing yacht, it is no doubt worth it to visit our marina in Katwoude, we are open 7 days a week.
