SEALINE S38

BROKER'S COMMENTS

The Sealine S38 is one of the most successful sports cruisers of their class. Thanks to their excellent accommodation, good performance, and great use of space. A spacious cockpit, including ample storage space, an U-shaped seating area with table and the additional cushions can be used as a sunbathing area. Anna M is very well equipped and cared for. Each winter stored in a warmed shed and only serviced by professionals. Some details; nearly new cockpit canvas, cabin heating, bowthruster, autopilot and 2 powerfull Volvo Penta 285 HP engines. She is located in our sales marina.
