BROKER'S COMMENTS

Greenline builds one of the most popular vessels of the last years. The moment you step onboard you will feel at home in it's spacious interior. The stateroom has lots of natural light granted by windows wrapped all around. This nearly new 39 feet is fully equipped with solarpanels, solar battery charger, airconditioning, heating, generator, powerful bow thruster, a Raymarine navigation package, teak decks, etc. This demo yacht is priced VAT not paid, EU buyers have the option to pay tax their home country. Buyers from outside the EU, please consult local authorities about rates.
