BROKER'S COMMENTS

Lovely accommodations below decks ensuring a high degree of comfort, combined with performance under sail and Swedish built craftsmanship, make this Scanner 391 an excellent opportunity. With her fractional-rig and self tacking jib, she is easily handled by a small crew. Built with Scandinavian craftsmanship a yacht to last and very dependable. Since 1995 this yacht has been a "Trawant" (= reliable good friend) for her 1th owners all the time.
