DYNAMIQUE YACHTS 58

BROKER'S COMMENTS

Dreaming of safe long distance cruising in comfort? With just a couple and for a budgetary price? This fantastic heavy duty built 58 will fulfil your needs. Warning: once on board you will feel directly at home. Present owners only sailed in the Med, but what a challenging potentional! She offers great weather protection, easy sail handling and 2 engines! Recent anti osmoses protection and redone teak decks are examples of her good shape. She just needs a few small updates here and there and she can cross all oceans. But make no mistake, she is already in very good condition!
