FARRIER F9 - R TRIMARAN

BROKER'S COMMENTS

"Trinamiet" is an Ian Farrier designed Farrier F9-R. The R means a larger rigging / rotating mast / lighter construction; more speed. The Farrier Folding System allows the boat to lie in the harbor or on a trailer with a maximum width of 2.50 meters. Unfolded and ready to sail, she is 6.85 m wide. Super performance characteristics, fine sailing behavior and excellent cruising possibilities at sea and shallow water. Very well maintained, improved and very well equipped by her owner, total refit 2015/2016.
