CATALINA 320

BROKER'S COMMENTS

Catalina yachts often referred to as “the sailors choice” and so appreciated by many with reason. They are spacious, comfortable and well built. And also a joy to sail and handle. A well designed package for the discerning sailing family. This 320 has a lot going for her. Good sails and heater and an abundance of space and headroom throughout. Also the cockpit is surprisingly large and deep for a yacht of this size. Shallow draft wing keel for easy access.
