FOUNTAINE PAJOT BAHIA 46

BROKER'S COMMENTS

This Fountaine Pajot Bahia 46 is built for comfort and space. She has "all weather" protection in the cockpit equipped with all Raymarine/Furuno navigation instruments. This catamaran has a smart design with an open saloon and galley, on the same level as the cockpit. All 4 cabins are large with plenty of storage space and equipped with individual reversible air conditioning. This fountaine pajot Bahia 46 is suitable for a longer stay on board and due to its shallow draught can cope with both deep and shallow waters!

Reinier van der Wolf
