DEHLER 33 COMPETITION

BROKER'S COMMENTS

Experience sailing in a family / racing yacht from the late 90s until now (hull 75% as a Volvo V70 racer with a keel and rudder in high Aspack form). This boat is so pure and easy in handling through its usefulness both fanatical in the race and also on a windy Sunday afternoon. It is perhaps the best German family / racer which Dehler build together with Judel & Vrolijk in the late 90s and was / is still ahead of its time. It's now or never, and perhaps the last chance to own this kind of boat due that they are not often on the market !
