NAUTICAT 37 DS

BROKER'S COMMENTS

If you are looking for a new looking Nauticat 37 to go around the world, have a look at this one. It is in absolute immaculate condition. The hull has been re-sprayed in Awlgrip dark blue to a very high standard this September in Valencia Spain. It has a taller mast compared to original 18.60m above the waterline with 82m2 sail area in stead of the standard 75.2 This makes it to a very good performing Nauticat. The decks are in excellent condition and the interior looks like new. Finnish registered. The owner is prepared to sail the boat with the new owner to any place within Europe.
