AMEL SUPER MARAMU 2000

BROKER'S COMMENTS

The Amel Super Maramu 2000 is a well designed and strongly built passage maker. Amel yachts are very durable and their "Teak look" decks are virtually indestructible. The Super Maramu is an evolution of the Maramu and offers you all safety and comfort a true Bluewater yacht can offer. This specific yacht is complete to go and in great condition and maintenance. Dutch owned and registered.
