OVERSEAS 40

BROKER'S COMMENTS

"The Overseas 40 is a comfortable and safe cruising yacht able to bring you to any place along the seven seas. It is a high quality Swedish built yacht comparable with Hallberg Rassy, Najad and Malö. The decksaloon/pilot house conversion makes it possible to navigate in safe shelter. The protected cockpit has a solid glass windshield and bimini. The double fore stay with 2 Furler genoas combined with the in-mast furling system offer you always the right sail setting. Swedish built, registered and owned."
