HANS CHRISTIAN CHRISTINA 43

BROKER'S COMMENTS

This Hans Christian is a unique combination of the "Tropic" layout and the "Corinthian" layout with a cheerful bright teak interior. It has many custom storage features. The forward section is the "Tropic" layout with the V berth forward. Portside head with separate shower. The main saloon and aft cabins are "Corinthian" layout with a U shaped galley to port and a large sit-down nav. station to SB opposite the galley. This yacht has been lovely maintained by the Dutch owners. It is extremely well fitted out with 2011 rigging, young sails and many other recent equipment upgrades.

John Venner
