RIVA 50 DIABLE

BROKER'S COMMENTS

The Riva Diable 50 is one of the prestigious Riva Collection, this example had just undergone a complete maintenance programme, with service to the motors, new antifoul, and new batteries. The current owner keep this yacht in absolute prestine condition. The Detroit engines have been rebuilt in Germany. All gelcoat and upholstery is in good condition. A real nice true Italian classic. Renowned for their quality building and film star status these yachts are timeless. The owner is keen to sell due to age.
