JEANNEAU SUN ODYSSEY 40 DS

BROKER'S COMMENTS

This boat was commissioned for long term cruising and therefore designed and installed to accommodate the necessary equipment to achieve this. Emphasis has been placed on safety and short handed sailing with all lines leading to the cockpit and a fitted bow thruster. As a live aboard great care was taken to ensure comfort and convenience, ie stowed and ready to sail in 30 mins. The deck saloon design gives excellent light, roominess, exceptional headroom and tremendous sailing characteristics as published by many yachting magazines.

John Venner
