TRINTELLA 40A

BROKER'S COMMENTS

This Trintella 40A was always subject to painstaking maintenance. It is in very good condition and ready to sail. This is the ideal long-distance yacht for a couple. The shallow draft combined with centreboard opens many possibilities for entering shallow bays. The fixed doghouse cockpit protects when the weather is really bad and the inside steering position is then also a must. Dutch owned, registered and VAT paid.
