BENETEAU 50

BROKER'S COMMENTS

From the 1st owner an immaculately maintained owners version of a Beneteau 50 from 1998. She is fully equipped and packed with extras that are too many to list. The main difference from the standard version is the placement of the galley in place of the bathroom of the SB aft cabin, creating more space in the saloon and a bigger galley. The hull has been treated with coppercoat and VC17M (teflon) this year and she is ready for the season. This beneteau has never been chartered and very well kept. She needs to be seen to be appreciated.
