HALLBERG RASSY 42 E KETCH

BROKER'S COMMENTS

A perfect example of the HR 42E cutter rigged Ketch with deep keel. With excellent sailing characteristics for sailing long hauls with the wind on the beam. As with any HR she is very well maintained with a new Volvo engine, propellershaft and maxprop propeller and rewiring installed in 2009 and a new fuel tank in 2010. The typical flush teakdeck was renewed in 2013 together with new AWL Grip topsides. She is equipped with a bowthruster, electric windlass, solar panels and a watermaker , ready for long bluewater cruises.

Reinoud Bicker Caarten
