LAURIN 40

BROKER'S COMMENTS

Not been taken care of for some years the boat now needs to be restored. Due to owners health problems price reduced to "give away" price. Buy a piece of history , An eye catcher in any harbour!, Located in Italy. CAN CAN is a gentlemans classic Performance cruiser. Originally built for racing and won 9 of 10 races first year. She even participated in Admirals cup and was 4 in total in Fastnet race. Lots of work and lots of new things were done 2012-2015, For example: - New mast, boom, kick and spinner boom in carbon ordered from PAUGER, Hungary / White for the classic look.
