BROKER'S COMMENTS

This classic motoryacht Silver 64 "Silverling", built in 1956 at the Silver's Yard, Rosneath, Scotland and designed by John Bain is totally refitted in 2007/2008. This Silver 64 is a truly classic motoryacht, will always turn your head around for a second look to absorb her special character and elegant lines. Totally refitted in the last years, but she maintained her original character with regard to the interior and outside of the yacht.
