#### **BROKER'S COMMENTS**

This masterpiece of sailing technology and design, a Marten 60, fully built in carbon by Marten Marine in New Zealand, is one of the most exclusive and desirable sailing yachts today. PINTA SMERALDA, a Judel/Vrolijk design with lifting keel, perfectly balances speed, agility, luxury and easy sailing by just 2 people. Meticulously maintained with absolute perfectionism, every detail is optimized and no effort spared in keeping her in absolute top condition. This has ensured that the PINTA SMERALDA remains one of the most admired and sought-after performance cruisers in her class.

PINTA SMERALDA: A SAILING ICON IN THE SPOTLIGHT IN 2025! In 2025, the PINTA SMERALDA shines like never before. This masterpiece of sailing technology and design, a Marten 60 built by Marten Marine in Auckland, New Zealand, is receiving significant attention from the international yachting world. Two leading watersports magazines, Europe's largest sailing magazine, the German "Die Yacht", and the most exclusive Dutch yachting lifestyle magazine, "Nautique", are dedicating extensive articles to this stunning and exclusive sailing yacht in respectively their first and second editions of this year, respectively. A Unique Design with a Rich History: The PINTA SMERALDA is a design by Judel/Vrolijk & Co, the renowned German design firm globally recognized for their innovative and championship-winning yacht designs. The sleek lines and advanced construction techniques of the Marten 60 make this yacht not only an aesthetic beauty but also a technological marvel. Fully built in carbon, the boat offers a perfect balance between speed, agility, and luxury. The Legacy of Willy Illbruck: The history of the PINTA SMERALDA is closely linked to Willy Illbruck, a name synonymous with performance and innovation in the sailing world. Illbruck's passion for perfection and speed is evident in every detail of this yacht. His legacy continues to live on in the PINTA SMERALDA, which is now owned by someone with the same dedication to quality and craftsmanship. A Perfectionist at the Helm: The current owner of the PINTA SMERALDA is a true perfectionist and has spared no effort in keeping this yacht in absolute top condition over the years. Every detail, from the deck equipment to the high-tech rigging, is meticulously maintained and optimized. This has ensured that the PINTA SMERALDA remains one of the most admired and sought-after performance cruisers in her class. A Symbol of Beauty and Technical Perfection: The PINTA SMERALDA is more than just a sailing yacht - it is an icon of design, craftsmanship, and nautical excellence. Her presence in "Die Yacht" and "Nautique" magazines highlights her status as one of the most exclusive and desirable sailing yachts of the moment.
