FLEMING 55

BROKER'S COMMENTS

Fleming 55 pilothouse motoryacht "Grand Lady", built by Fleming yachts in 2001 and customized (to the highest Swedish boat building craftmanship) by her current owner in 2007. The current owner is a former yacht designer and part manufacturer who want to create the optimal motor yacht for his private use in Scandinavia. This Fleming 55 with extended saloon, closed galley and three cabin layout offers a lot of living space, perfect for a longer stay on board! Very well maintained and viewing is highly recommended!
