## BROKER'S COMMENTS

This elegant, timeless and stylish Super van Craft/ Klaassen Kotter 14.00 has everything you could possibly need for extended cruising and a longer stay on board. With her twin Volvo-Penta 165 hp diesels and hydraulic bowthruster, "Polaris" is very easy to handle. Serious comfort levels are found throughout the interior, two cabin layout and two bathrooms. Because the pilothouse is equipped with double glazing and with the option to convert the cockpit into a large entertaining area, a great time is assured for everyone on board. This Klaassen Kotter is very well maintained.
