VIKNES 1030

BROKER'S COMMENTS

Unfortunately we can't offer this Viknes 10.30 as a new vessel, given that she was built in 2012. But this Viknes deserves the right to be offered in an "AS NEW STATE". With only 14 engine hours this has to be clear... This Viknes is a fully equipped, fast motoryacht with a 4 hp. electric bowthruster, windows in aluminum frames, 30 amp. battery charger, magnificent Raymarine navigation equipment etc.. This Viknes 10.30 is definitely worth a visit! The asking price is excluding VAT, but the vessel is also deliverable incl. VAT.
