BROKER'S COMMENTS

This very solid built Molenmaker & Mantel Cutter, named "Sonja" is owned by the first and only owner. This steel motoryacht is built in 1998 and always neatly maintained at the Molenmaker & Mantel yard. The hull is roundbilged and "Sonja" is equipped with a teak interior and a cosy cabin with a French berth. The settee in the saloon is convertible into a second double berth. She is definitely worth a visit!
