HOLTERMAN 53

BROKER'S COMMENTS

Holterman 53 is a beautiful Dutch steel yacht from the top naval design Vripack, built by Holterman Yachting in Meppel on behalf of the current owner. CE A class, very well equipped for sailing at sea including stabilizers, as well as on inland waters. Easy to maneuver; 2 engines a bow/stern thruster (with wireless control). Staying on board is wonderful, open cockpit, lounge / wheelhouse on the same level, airco, central heating and double glazing. Spacious galley with a dinette downstairs. Very large owner's cabin and neat guesthouse, each with its own shower and toilet.
